

## Booth Catering

### Käfer Webshop – Delivery service

You are welcome to order your booth catering via our webshop in advance. We deliver the ready-to-eat meals on plates and drinks directly to your congress booth - several times a day if desired. We also take care of the return logistics.

### Käfer Concierge Service – ad hoc orders for your stand

As a special premium service we offer you the ad hoc order via our Orda App. You can order coffee specialties and drinks easily and directly to your booth at any time. We deliver directly within a few minutes. After your appointment we will pick up the used dishes.
