Response required. Please check:

- Invoice recipients who are domiciled in **Germany** or in the **European Union**. The invoice recipient is a **company** which, independently, carries out any economic activity for the purpose of earning a sustainable income (Art. 9 MwStSystRL—Directive on value-added tax) or a **legal entity** which does not or does not exclusively carry out any economic activity. The invoice recipient hereby declares that he/she obtains the services of Messe München GmbH for his/her company, or that he/she is a legal entity for which a VAT ID has been issued. The invoice recipient's **VAT ID** is
- Invoice recipients who are domiciled in a country **outside the European Union**. The invoice recipient is a **company** which, independently, carries out any economic activity for the purpose of earning a sustainable income (Art. 9 MwStSystRL). The invoice recipient hereby declares that he/she obtains the services of Messe München GmbH for his/her company.
- Invoice recipients who are **foreign government authorities/agencies** (ministries, embassies, consulates, regional corporations, public administration) and who carry out any sovereign and economic activity (Art. 9 MwStSystRL). The invoice recipient hereby declares that he/she is a **legal entity under public law** or one of his/her (legally dependent) organizational units and that the services of Messe München GmbH are not exclusively intended for the private requirements of the staff or a partner.
- None** of the above declarations applies. In this case Messe München GmbH will invoice its services plus German value-added tax at the statutory rate, even if the invoice recipient is domiciled abroad.
