## Cont. B 3 Participation fee, advance payment for services (cf. A 7)

### Mandatory communication fee

Exhibitors will be charged a communication fee for each of their stands amounting to **EUR 250**. This fee includes the basic entry in the trade fair media, and other communication services as set out in provision B 13 "Media services." Exhibitors can book other entries in the respective advertising media for extra charges. Prices for the additional listing and promotion opportunities are given on the respective order forms, which will be sent to exhibitors by the media services partner contracted by Messe München GmbH.

A marketing fee of **EUR 6/m<sup>2</sup>** of rented exhibition space will be charged in addition.

### Advance payment

The advance payment for exhibitor services ("Advance payment," cf. A 7) is **EUR 15/m<sup>2</sup>** of rented exhibition space.

### Voucher for a one-day ticket

For applications for stand space submitted before **April 30, 2021**, an unlimited number of day ticket vouchers redeemed is included in the participation fee. For application forms submitted to Messe München GmbH after this date, exhibitors will be charged **EUR 15** per paper voucher, respectively **EUR 12** per online voucher redeemed.

### AUMA charge

The German Council of Trade Fairs and Exhibitions (AUMA) levies all exhibitors a charge of **EUR 0.60/m<sup>2</sup>** of rented exhibition space. This amount is charged by Messe München GmbH and transferred directly to AUMA.

### Fixed waste-disposal fee

The mandatory, flat-rate waste disposal fee in the amount of **EUR 4.50/m<sup>2</sup>** is to cover the disposal of all waste generated at the exhibitor's booth during setup and dismantling and throughout the duration of the trade fair. The disposal of production waste, entire stand elements and complete exhibition stands is not covered by this fee.

## B 4 Co-exhibitors

The participation of companies as co-exhibitors (cf. A 4) is on principle possible. Participation is, however, subject to Messe München GmbH's prior authorization. The exhibitor is to pay a fee of **EUR 265** per co-exhibitor. Admission can only be granted if the co-exhibitor would also be eligible as an exhibitor. However, a mandatory communication fee in the amount of **EUR 250** will be levied for each co-exhibitor. The mandatory communication fee for each co-exhibitor includes the same services as for the main exhibitor (cf. B 3).

All co-exhibitors must be registered by the main exhibitor. The application is to be submitted online at [www.ceramitec.com/application](http://www.ceramitec.com/application). The application can also be filed via an application form, which can be requested from the exhibition organizer. It is to be submitted to Messe München GmbH fully completed and signed.

The participation of firms as additionally represented companies (cf. A 4) is not possible.

For each co-exhibitor without Messe München GmbH admission, Messe München GmbH is entitled to demand a penalty charge of **EUR 500** from the exhibitor. Furthermore, Messe München GmbH may demand that co-exhibitors without Messe München GmbH admission vacate the stand. Should the exhibitor fail to comply with Messe München GmbH's vacation demand without delay, Messe München GmbH has the right of extraordinary cancellation in respect of the contractual relationship between Messe München GmbH and the exhibitor.

## B 5 Terms of payment (cf. A 7)

The amounts invoiced in all invoices issued by Messe München GmbH in connection with the event are to be transferred in euros, without deductions and free of all charges to one of the accounts specified in the respective invoice, indicating the customer number. The times of payment specified in the invoices are binding and are to be complied with.

Messe München GmbH can issue invoices only to its contractual partners. Please note that the final invoice only can be made out to the same billing address that was used for the admission invoice. This is to ensure that the exhibitor's advance payment can be offset against actual services obtained.

Should the exhibitor wish to have an invoice re-issued because the name, legal form or address of the invoice recipient has changed, the exhibitor is bound to pay Messe München GmbH a fee of **EUR 50** for each invoice amendment, unless the data included in the original invoice in respect of the name, legal form or address of the invoice recipient was incorrect and Messe München GmbH was responsible for the incorrect data.

The final invoice for all additional costs (e.g. technical services, electricity, etc.) will be sent to the exhibitor after the end of the event; it is payable immediately upon receipt.

# Special Terms of Participation (B)

## B 7 Stand design and equipment

Stand designs for two-story constructions, for stands larger than **100 m<sup>2</sup>** or stand structures exceeding **3 m** in height or with a stand covering require prior authorization. Dimensioned drawings including floor plans and elevations on a scale of 1:100 must be submitted in duplicate to Messe München GmbH, Technical Exhibition Services Division for approval no later than 6 weeks before setup begins.

### Halls, general

One-story construction

The maximum construction height is **7.50 m**. The maximum advertising height (upper edge) is **7.50 m**.

Two-story construction

The maximum construction height is **7.50 m**. The maximum advertising height (upper edge) is **7.50 m**.

In addition, the maximum construction height (clearance) alongside the hall walls must be observed (see description of halls and outdoor exhibition grounds).

The partition walls facing the neighboring stand must be kept white, neutral, free of installations and clean above a height of **2.50 m**. It is recommended that exhibitors install partition walls (height **2.50 m**) as demarcation to neighboring stands. Messe München GmbH supplies partition walls only at the request and expense of the exhibitor. Partition walls or additional cabin walls (height **2.50 m**) can be ordered in the Exhibitor Shop. In the case of advertising structures directly facing adjoining stands, there must be a minimum distance of **2 m** to the stand perimeters. Flashing or changing lights must not be used for advertising purposes. The stand design must be adapted to suit the type of rented stand (row, corner, end, island stand), e.g. by partition wall systems. The exhibition stand should also meet the character of the respective trade fair to preserve the visual identity of the event. Messe München GmbH is entitled to demand changes in stand design on this account.

The erection of closed walls is permitted if they account for no more than max. **70%** of the given side wall of the stand, whereby a closed wall may not exceed a length of max. **6 m**. A closed wall **6 m** in length must be followed by an opening with a width of at least **2 m**. This ruling no longer applies if a setback of at least **2 m** to all stand perimeters is observed.

### Stand construction approval

As a matter of principle, every planner/designer of an exhibition stand is responsible for compliance with public statutory regulations, insofar as applicable to exhibition stands, and compliance with Messe München GmbH's Technical Guidelines as well as the General Terms of Participation. No approval of plans from Messe München GmbH is necessary given compliance with the following requirements:

- stand and/or advertising structures no higher than **3 m**
- stand area no larger than **100 m<sup>2</sup>**
- stand is without covering.

Any stand concepts in non-compliance with the aforementioned requirements are to be submitted in duplicate for approval to Messe München GmbH's Technical Exhibition Services Division, containing to-scale stand design plans (ground plan, elevations and sectional drawings) no later than 6 weeks prior to official setup date. If items are to be suspended from the hall ceiling, the work involved must be carried out by Messe München GmbH's contractors. The placing of motor vehicles of any kind on the stand area for exhibition or decorative purposes is prohibited and is permissible only in exceptional cases on the prior written consent of the Exhibition Management. Moreover, multi-story stands and special constructions (such as bridges, stairs, cantilever roofs, galleries, etc.) are as a general rule subject to separate approval. Please consult the "Building Regulations" set out under "Leaflets—applications" in the Exhibitor Shop for further information. **Please note under all circumstances the requirements set out in the Technical Guidelines and the information included in the individual notices.** For further processing, the exhibitor service forms for ordering additional stand services will be made available to you online via our Exhibitor Shop in due time, or sent to you per e-mail.
