Two-story stand construction

On two-story constructions, the upper floor space is charged at **80%** of the respective ground floor rate.

Messe München GmbH offers the organizer by way of its placement proposal a participation fee. When calculating the exhibition area, each square meter of exhibition space Messe München GmbH lets to the organizer or the organizer sublets or assigns to exhibitors is charged in full, with the exhibition area calculated principally as a rectangular space taking no account of projections, beams, installation connection areas, etc.

The participation fee covers the stand space rental and moreover comprises extensive services provided by Messe München GmbH, which include in

particular: advice on stand planning, advice on the technical conditions and requirements on site regarding stand design, advice on setting up and dismantling the stand, concept and public relations work for the fair, visitor marketing and visitor acquisition for the fair, preparation and organization of trade-fair related opening events, press conferences, presentations and exhibitor evenings, insofar as these are organized by Messe München GmbH, the preparation and implementation of forums and special shows, insofar as these are organized by Messe München GmbH or third parties on behalf of Messe München GmbH, the provision of exhibitor passes for authorized persons in accordance with clause B 11 “Exhibitor passes”, the provision of advertising media, the lighting, heating and air-conditioning of all the exhibition spaces, basic guard service for the event site, regular cleaning of general areas, the provision of loudspeaker systems used for informing visitors to the fair, and other visitor information systems including signage, the provision of visitor lounges, meeting rooms and catering facilities for exhibitors, visitors and the press within the exhibition premises, the deployment of first-aid operatives as well as traffic routing to and within the event site.

Cont. B 3 Participation fee, other charges

Mandatory communication fee

Each exhibitor at the joint pavilion will be charged a mandatory communication fee amounting to **EUR 445**. This fee includes the basic entry in the trade fair media (print, online and mobile, cf. B 10 Media services) plus one copy of the visitor guide (hand-out on site at the fair). It also covers the basic entry in the visitor guide, and other communication services as set out in provision B 10 "Media services (print, internet, mobile)." Exhibitors can book other entries in the respective advertising media for extra charges. The additional entries and advertising options, as well as the prices provided by the Media Services Partner commissioned by Messe München GmbH, will be displayed in the Exhibitor Shop and may be booked via a separate ordering system.

Fixed waste-disposal fee

The mandatory, flat-rate waste disposal fee in the amount of **EUR 4.50/m²** is to cover the disposal of all waste generated at the organizer and the exhibitor's booth during setup and dismantling and throughout the duration of the trade fair. The disposal of production waste, entire stand elements and complete exhibition stands is not covered by this fee.

AUMA charge

The German Council of Trade Fairs and Exhibitions (AUMA) levies all exhibitors a charge of **EUR 0.60/m²** of rented exhibition space. This amount is charged by Messe München GmbH to the organizer for all exhibitors in the joint pavilion and transferred directly to AUMA. The AUMA charge will be invoiced together with the participation fee.

Advance payment

The organizer is to pay Messe München GmbH an advance service payment amounting to **EUR 20/m²** of the exhibition space Messe München GmbH lets to the organizer.

B 4 Terms of payment (cf. A 7)

The participation fee is due for payment together with the mandatory communication fee, the flat waste disposal charge for waste generated during the event, the AUMA charge and the advance service payments as well as with the other items listed in the invoice as of the deadline stated in the invoice.

All invoiced amounts in all Messe München GmbH invoices relating to the event, must be transferred in **EUR**, without deductions and free of all charges to one of the accounts specified in the respective invoice, indicating the reference number.

Due to value-added tax legislation requirements, Messe München GmbH can only issue or readdress invoices to an invoice recipient other than the exhibitor, if the recipient is Messe München GmbH's contractual partner concerning the

services to be charged. If the exhibitor wants to designate the invoice recipient as the contractual partner of Messe München GmbH instead of himself, he can request the appropriate form at the e-mail address provided in the application. The form should be completed and signed with legally binding effect and returned to Messe München GmbH. Messe München GmbH is under no obligation to accept the different invoice recipient named by the exhibitor as its contracting party. Insofar as Messe München GmbH has already rendered services to the exhibitor at the time of receipt of this form, Messe München will have to bill these services to the exhibitor (cf. A7). Should the exhibitor wish to have an invoice re-issued because the name, legal form or address of the invoice recipient has changed, the exhibitor is bound to pay Messe München GmbH a fee of **EUR 50** for each invoice amendment, unless the data included in the original invoice in respect of the name, legal form or address of the invoice recipient was incorrect and Messe München GmbH was responsible for the incorrect data.
