Planning permission

As a matter of principle, every planner/designer of an exhibition stand is responsible for compliance with public statutory regulations, insofar as applicable to exhibition stands, and compliance with Messe München GmbH's Technical Guidelines as well as the General Terms of Participation. Any stand concepts in non-compliance with the aforementioned requirements are to be submitted in duplicate for approval to Messe München GmbH's Technical Exhibition Services Division, containing to-scale stand design plans (ground plan, elevations and sectional drawings) no later than 6 weeks prior to official setup date. If items are to be suspended from the hall ceiling, the work involved must be carried out by Messe München GmbH's contractors. Moreover, multi-story stands and special constructions (such as bridges, stairs, cantilever roofs, galleries, etc.) are as a general rule subject to separate approval. Please consult the "Building Regulations" set out under "Leaflets—applications" in the Exhibitor Shop for further information. **Please note under all circumstances the requirements set out in the Technical Guidelines and the information included in the individual notices.** For further processing, the exhibitor service forms for ordering additional stand services will be made available to you online via our Exhibitor Shop in due time.

Exhibitors can book additional listings, e.g. in the exhibitor directory and other presentation options in these communication media on a separate order form. This order form will be sent to applicants in good time by the commissioned media services partner, who handles these extra listings with the ordering party in his own name and his own account. Messe München GmbH assumes liability for the accuracy or completeness of the trade fair catalog.

The exhibitor is solely responsible for the permissibility under law—and particularly the law on competition—of any advertisement placed in the online exhibitor catalog (print, online and mobile) of Messe München GmbH at the instigation of the advertiser.
