

Weltleitmesse für Entwicklung und Fertigung von Elektronik
12.–15. November 2019, Messe München

World's Leading Trade Fair for Electronics Development and Production
November 12–15, 2019, Messe München, Germany

productronica.com

Deviating from B3 and B12 of the Special Terms of Participation (B), the only print medium for productronica will be an upgraded productronica Guide. In addition to the hall plans and the supporting program, it will contain an alphabetical list of exhibitors. This contains:

- all exhibitors with complete address data, web address and telephone number
- hall and stand number(s)
- booked logos
