Accelerating Innovation

Factsheet for exhibitors

productronica India 2022

International Trade Fair for Electronics
Development and Production
September 21–23, 2022
India Expo Mart, Greater Noida, Delhi NCR

Innovations begin at productronica India 2022:

International, innovative, unrivalled:

productronica India is the only event of its kind in South Asia to showcase the entire value chain in electronics production—from technologies and production equipment to software and services. Present your company at productronica India 2022 and profit from its unique surroundings.

The venue alternates between Bengaluru and New Delhi on a yearly basis.

The complete range of products

No other trade fair in India depicts the global market for electronics manufacturing as extensively as productronica India. productronica India brings together all domestic and international participants what gives you the best possible range of new partners and potential new customers from around the world.

Global business platform

High-quality visitors including decision-makers from India and abroad ensure first-rate potential for new business.

Expert knowledge and industry know-how

Tailored with regard to specific topics that drive the industry, productronica India always underscores a close link to new developments. Leading national and international experts share their latest know-how.

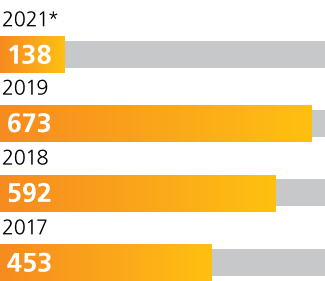

Attractive synergies for visitors

Being co-located with electronica India, Smart Cards Expo and Laser World of Photonics India creates attractive synergies and added value for visitors. It gives them the opportunity to gain insights into the latest technologies and applications in all industry sectors.

Visitor profile*

Industry

Job function

*Figures from visitor registrations of electronica India and productronica India 2021

“ The government of India, Ministry of Electronics and Information Technology (MeitY) have been front runners contributing to the growth of the hardware manufacturing industry in our country. They have provided a platform to the companies with various schemes and incentives, out of which PLI, SPEC are a few notable schemes for semiconductor manufacturing and others. By doing this, India will become self-reliant, leading to growth in economy, thereby facilitating growth ecosystem.

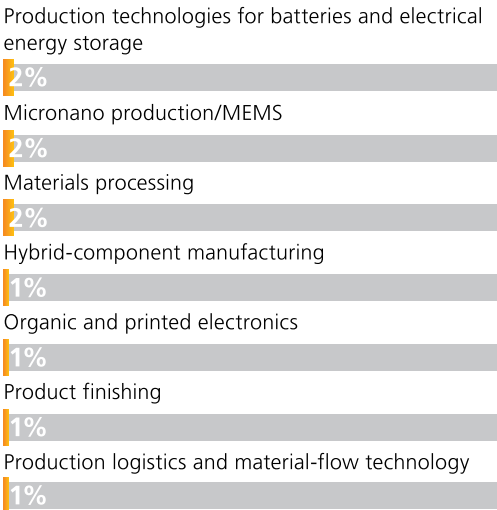

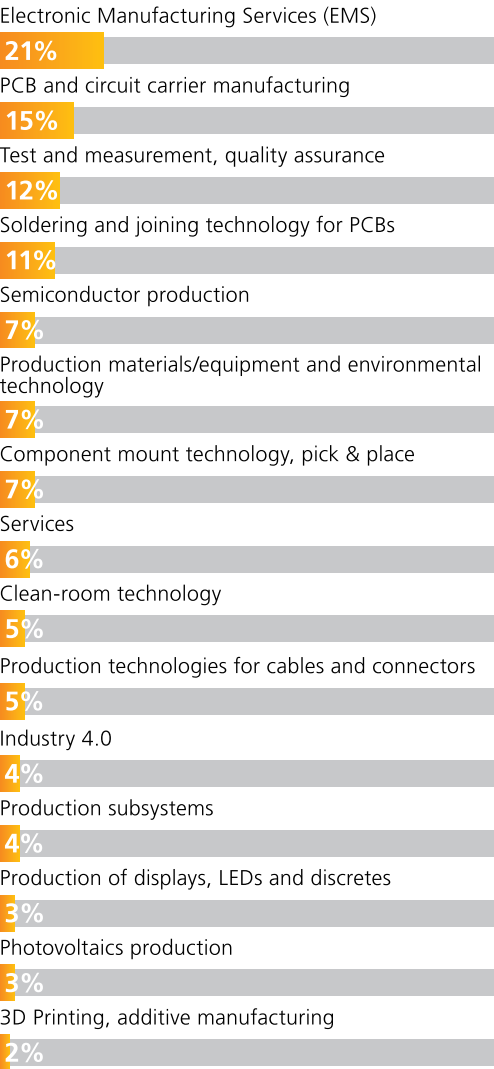

electronica India and productronica India are highly appreciated. On behalf of government of Karnataka, I would like to congratulate the organisers for aligning their vision with MeitY and taking this leap for growth.

Dr. Ashwathnarayan C.N., Minister of Science and Technology, Higher Education, Electronics & Information Technology, Biotechnology of Karnataka

Exhibitor profile

Product category*

“ We have been participating at electronica India and productronica India regularly. It has been a great event as we are meeting customers face to face almost after two years now. ”

Syrma SGS technology

“ Our expectation was to generate some good inquiries from the southern region and I am happy with all the arrangements. It’s been a good experience and kudos to the team for organising a successful event. ”

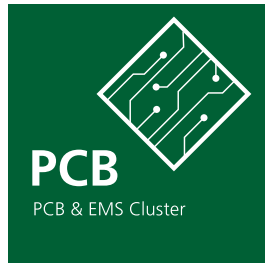

Leaptech Corporation

Some of the key exhibitors

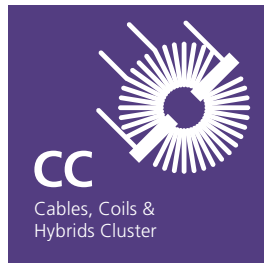

The four elements of electronics development and production

productronica India's cluster structure keeps everyone oriented. It helps participants to keep track of the entire value chain in electronics manufacturing:

PCB & EMS Cluster

PCB and circuit-board manufacturing, Electronic Manufacturing Services (EMS)

Cables, Coils & Hybrids Cluster

Manufacturing technologies for cables and connectors, coilware production

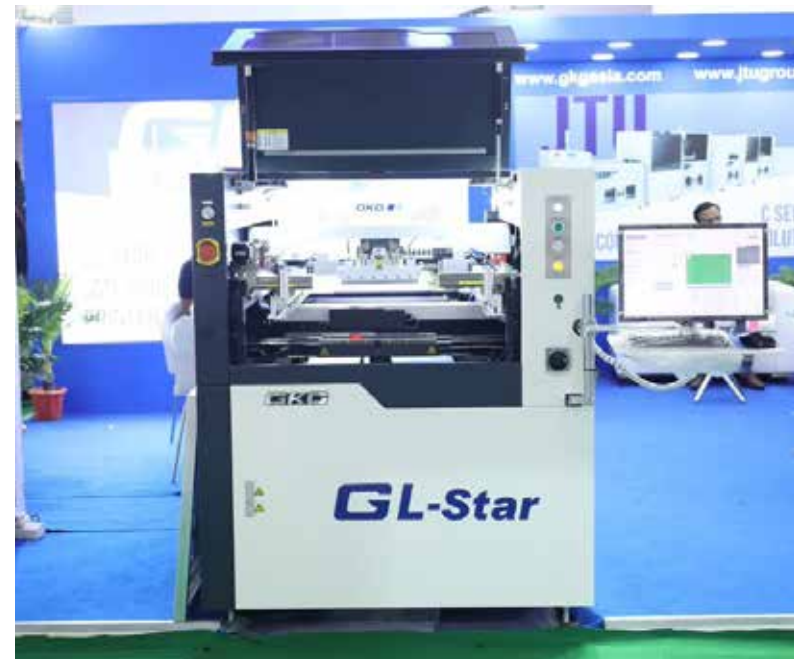

Semiconductors Cluster

Semiconductor manufacturing, display manufacturing, LEDs and discrete devices, photovoltaics production, micronano production, cleanroom technology, materials processing, production technologies for batteries and electrical energy storage, organic and printed electronics

SMT Cluster

Component mount technology, soldering technology, test and measurement/quality assurance, product finishing, production subsystems, production logistics and material-flow technology

Supporting program 2021

productronica India will continue to feature knowledge rich networking programs in order to meet the needs of the growing electronics manufacturing industry. The concurrent events offer ample of learning and networking opportunities by bringing together influential experts and covering market trends.

CEO forum

The focus was on “A Trillion \$ Digital Economy – Pathway to Progress” “A Surge of opportunities for the EMS and Component Industry”. The sessions and workshops covered the entire electronics eco-system and discussed the key concerns shared by the industry.

India PCB Tech conference

The fifth edition of the India PCB Tech conference focused on “Investment in PCB Manufacturing- A Billion \$ Opportunity Witnessing Green Shoots”. The conference brought the entire PCB industry eco-system and related supply chain together, for enabling success and growth of the PCB manufacturing and assembly sector.

“

It's a great pleasure to be at the exhibition after two years. We have met many of the PCB manufacturers, contract manufacturers, EMS players and it's a great experience to be here. Now we are looking forward for the next edition in Greater Noida.

”

Bharti Airtel Ltd.

Buyer-Seller forum

The Buyer-Seller forum is a unique platform to connect major buyers with sellers of electronics components, products and equipment from various segments including automotive electronics, consumer electronics, LED and lighting, industrial electronics to name a few.

In 2021, more than 300 meetings were successfully conducted.

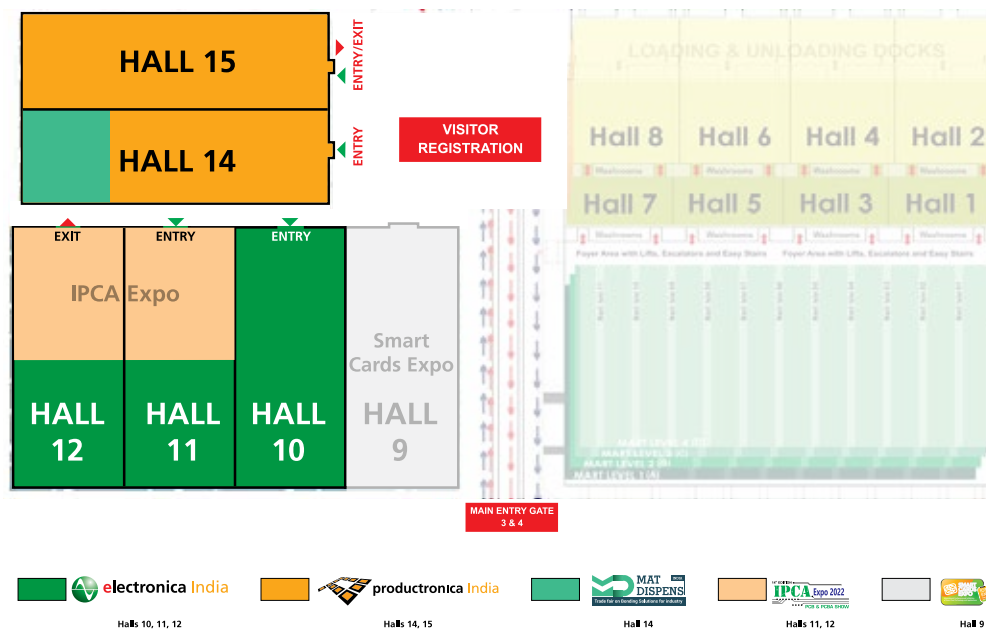

The location

India Expo Mart is the largest integrated multipurpose exhibition and convention center in India and has a unique combination of trade mart with exhibition and convention facilities, lawn, business center, restaurants, transportation facilities and sufficient parking areas.

Getting there

India Expo Mart is located in Greater Noida, near the JP Golf Course and within easy reach of central Delhi and the international airport on the new 8-lane Greater Noida Expressway. The venue is easily accessible by car from central Delhi within 45 minutes. There are several routes available from central Delhi.

Plan of the fairground – India Expo Mart, Greater Noida

Accompanying trade fairs 2022

electronica India is the leading trade fair for electronic components, systems, applications and solutions in India. The venue alternates between New Delhi and Bengaluru.

Adhesives and sealants are an important ingredient of electronic part manufacturing and assembly. The demand for electronic adhesives is linked to the development and innovations in electronics products. productronica India aims to highlight this growth trajectory and provide valuable insight into its developments via MatDispens.

This trade fair brings the entire PCB industry eco-system and value chain together. It will show case the latest PCB technologies from manufacturers and suppliers from across the globe to facilitate the growing demand of PCBs in various industry segments.

Launched in 1999, Smart Cards Expo is India's only trade fair focusing on Smart Card technologies and applications. It is co-located with RFID India expo, Biometric India expo, IoT India expo, AI India Expo, e-security and digital payment solutions.

Event

September 21–23, 2022

India Expo Mart, Greater Noida, Delhi NCR

Opening hours: Wednesday to Friday, 10:00–18:00

Space allocation until: July 31, 2022

Organizer information:

Messe Muenchen India Pvt. Ltd.,
Unit No. 762/862, Solitaire Corporate Park Building No. 7, 6th Floor,
167, Guru Hargovindji Marg, Andheri (East), Mumbai–400 093
Tel.: +91 22 4255 4700
E-mail: info@mm-india.in

We look forward to welcoming you at productronica India 2022

Project management India

Mr. Tanmay Pol
Business Unit Head – New Technologies
Tel: +91 22 4255 4749
tanmay.pol@mm-india.in

Ms. Urmi Kothari
Deputy Project Director
Tel: +91 22 4255 4731
urmi.kothari@mm-india.in

Ms. Joyce Naikade
Assistant Project Manager
Tel: +91 22 4255 4725
joyce.naikade@mm-india.in

Sales India

West Region

Mr. Venkatesh Raman
Deputy Project Director
Mob.: +91 99875 50472
venkatesh.raman@mm-india.in

South Region

Mr. Saravana Anand
Deputy Business Director
Mob.: +91 99163 90422
saravana.anand@mm-india.in

North Region

Ms. Shweta Ojha
Deputy Business Director
Mob.: +91 91679 34930
